

Shopping Tours in Italy

In Italy each city has its own exclusive high street featuring the latest haute couture collection, shoes, bags and other quality items.

High street shops can be expensive and with this in mind we are suggesting some fashion outlets which are within an easy reach from main cities.

Enjoy an exclusive shopping experience in beautiful designed environments with prestigious brands at 30% to 70% off.

We can design, upon request, various itineraries covering all major shopping Malls or Outlets in Italy.
